Dedication

We, the staff of the 1972 Colonial Staff, dedicate our yearbook to an individual who has imparted an immeasurable quantity of time and effort into the organization and development of a meaningful school environment. Hence, the 1972 Colonial is dedicated to Miss Sonia Dorwin.

Throughout the duration of her twenty-seven years of involvement with Hempstead High School, Miss Dorwin has exercised her dedication not only to her fellow teachers, but to the student body as well. She has served on numerous committees for the benefit of both student body and teachers. Miss Dorwin's firm belief in individualized teaching and her complete dedication to her students have led her to decline positions of status and advancement.

Our heartfelt sentiments of gratitude for you, Miss Dorwin, are appropriately expressed in these few lines:

"The earth and the sky live forever,
The reason the earth and the sky live forever
is that they do not live only for themselves, alone,
And therefore, they live on in everything."

"It is a pleasure to greet the Senior Class of 1972 and to wish each graduate a successful future career and a life filled with achievement and real personal meaning."

Success is failure turned inside out,
The Silver tints of the clouds of
doubt.
And you never can tell how close
you are,
It may be near when it seems afar,
So stick to the fight when you're
hardest hit,
It's when things seem worst that you
mustn't quit.

Highlight of the season was the 7-5 defeat of Carey, who were the division III champions and were undefeated at the time.

Outstanding players on this year's team are Marion Kaprowski, Terry Walls, Stefan Watala, Tony Sierra, Stan Johnson, "Muggs" Hunt and Pete Johnson.

Charles Hayes of last year's team was named to the High School All-American Team with the Hempstead Tigers, receiving much coverage in national magazines.

Patricia Harrell

In

Mrs. Patricia Harrell was the librarian for Hempstead High School for three years. During that time she made many improvements in the organization and selection of resources for the library. She was deeply concerned about the purpose and function of the library for the academic community. Her desire was that this area of resource provide reading material that was educational, enjoyable, and relevant to the needs of our school.

Outside of her function as librarian she was also a helpful friend who was always ready to assist you in the selection and location of reference material.

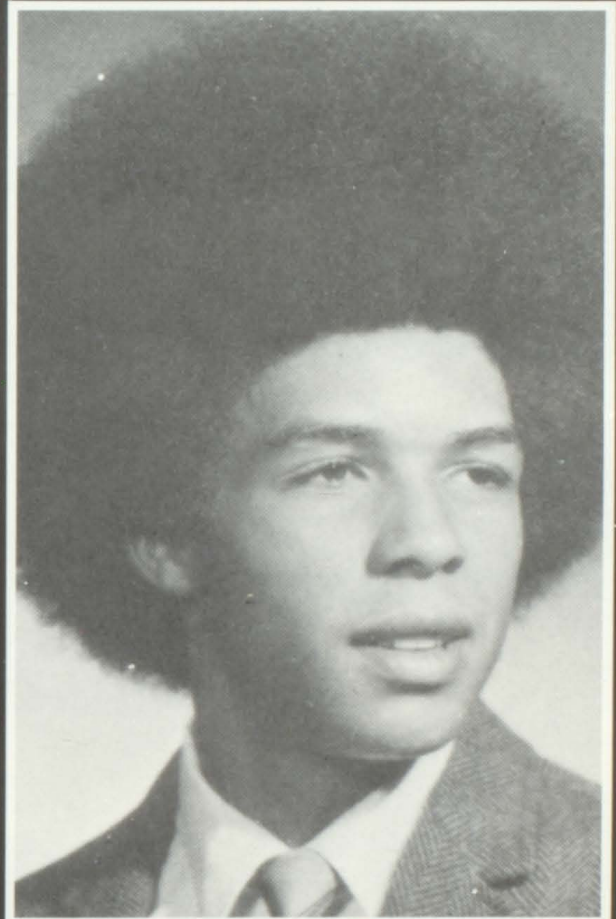

Mrs. Harrell will be remembered by us all.

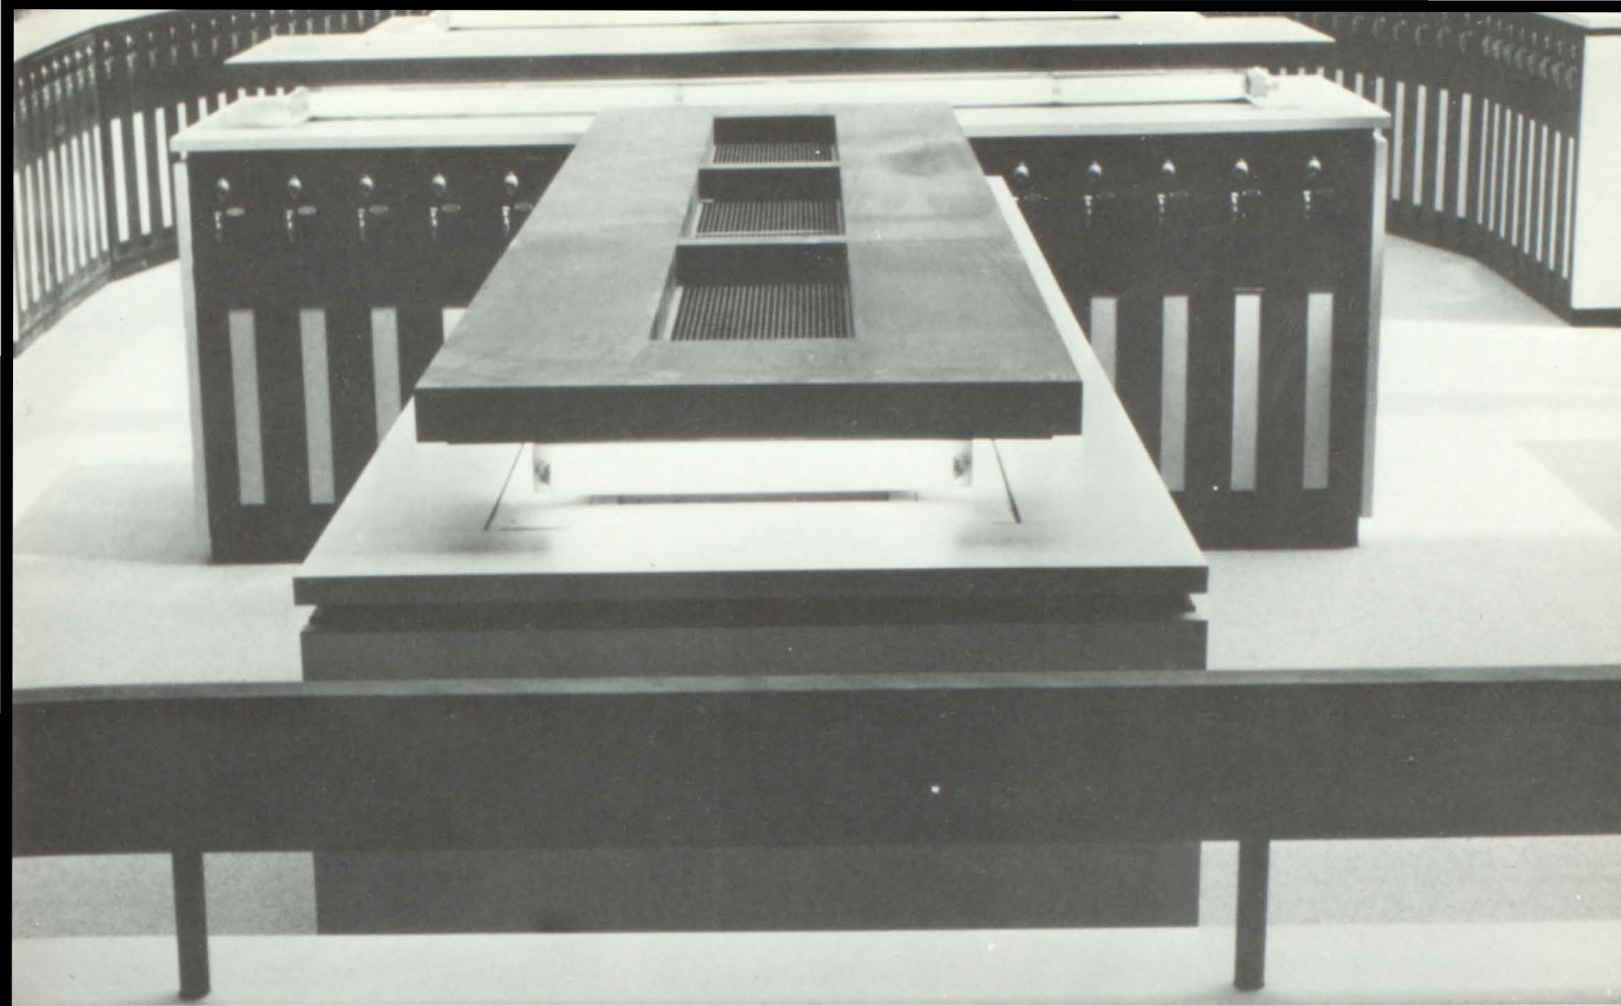

Memoriam

Reggie Crawford was a member of the graduating class of 1971. During his four years at H.H.S. he demonstrated an interest in athletics. He was a member of the Varsity Football team, the Cross Country team. Along with his interest in sports, Reggie also had a deep concern for the academic elements of school life as is evidence by his membership in the German Club.

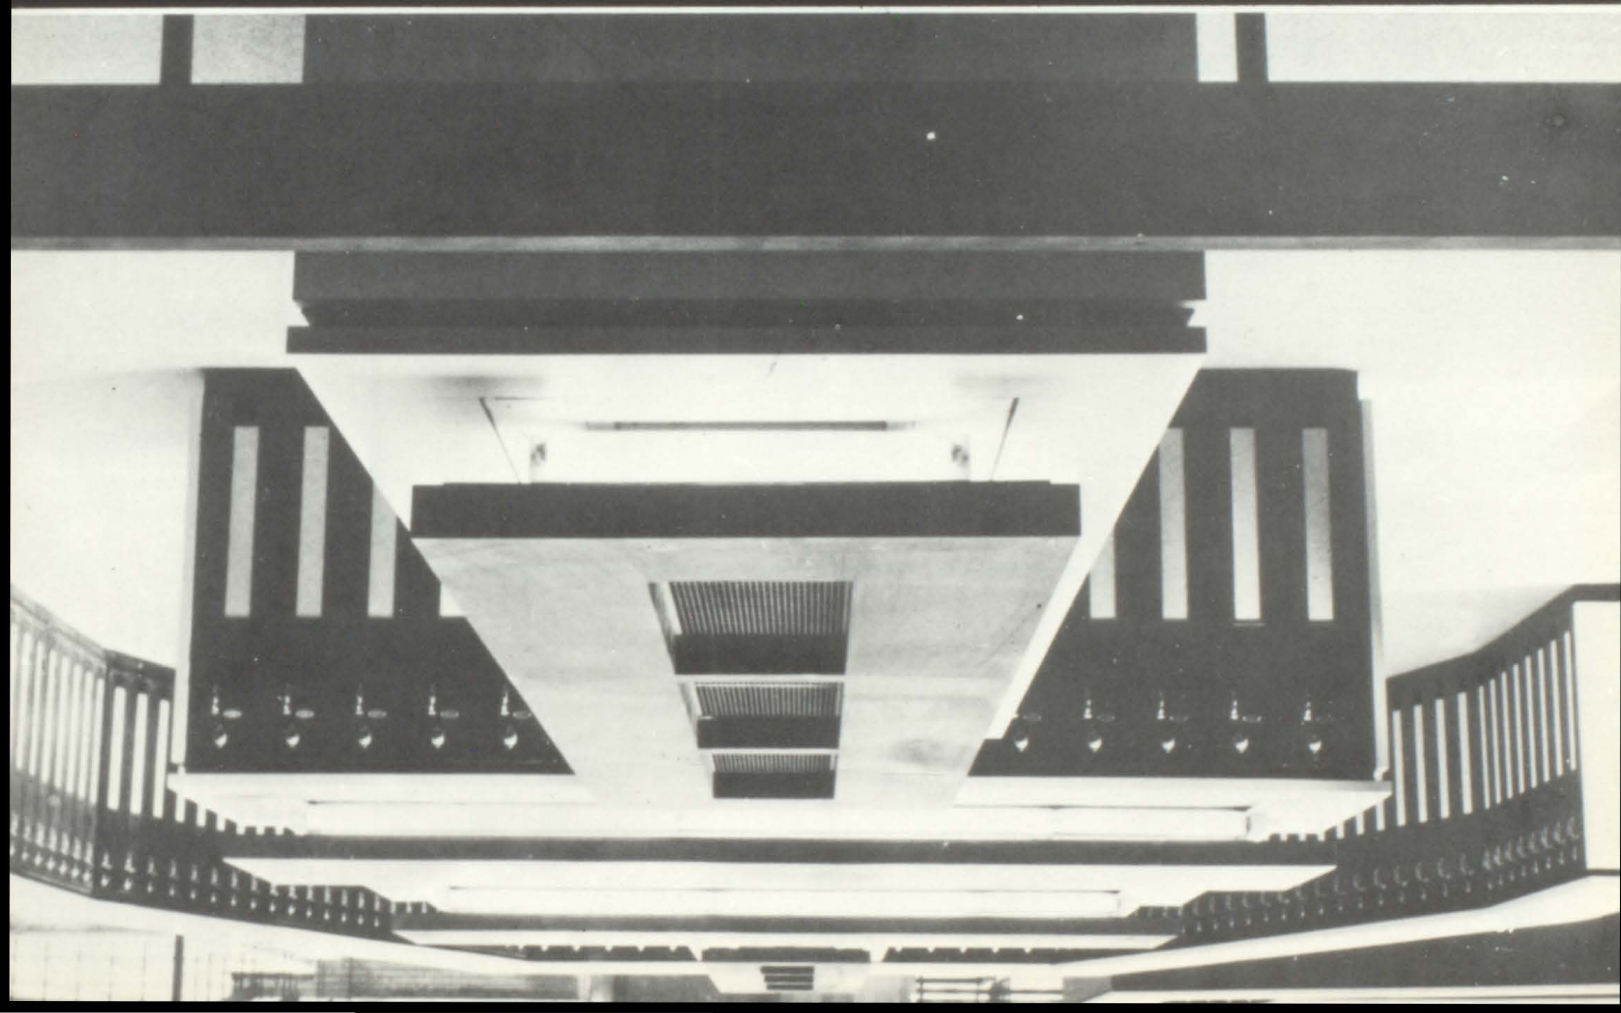

Reggie was involved in various community activities which enabled him to express his concern for others. Reggie Crawford will be remembered by all who knew him as a serious, quiet, but friendly young man.
