“Who am I in this great big rut? What I want is freedom . . .

I need freedom. I need freedom so I can find out who I am and who these people are I’m swinging with . . .

I mean, who we really are underneath the masks we wear and the roles we play. And I need freedom to discover the purpose and meaning of what we’re all doing, where we’re all heading – and even if it’s where we should be heading.

I need freedom to be me – so I’m not just a figment of somebody else’s imagination or a neat label on somebody’s neatly ordered shelf, but an actual person who cares and is cared for.

I want to be free, free to laugh, to cry, free to die, to live. Free to be responsible, and care, and dig in . . .”

Malcolm Boyd

DEDICATION

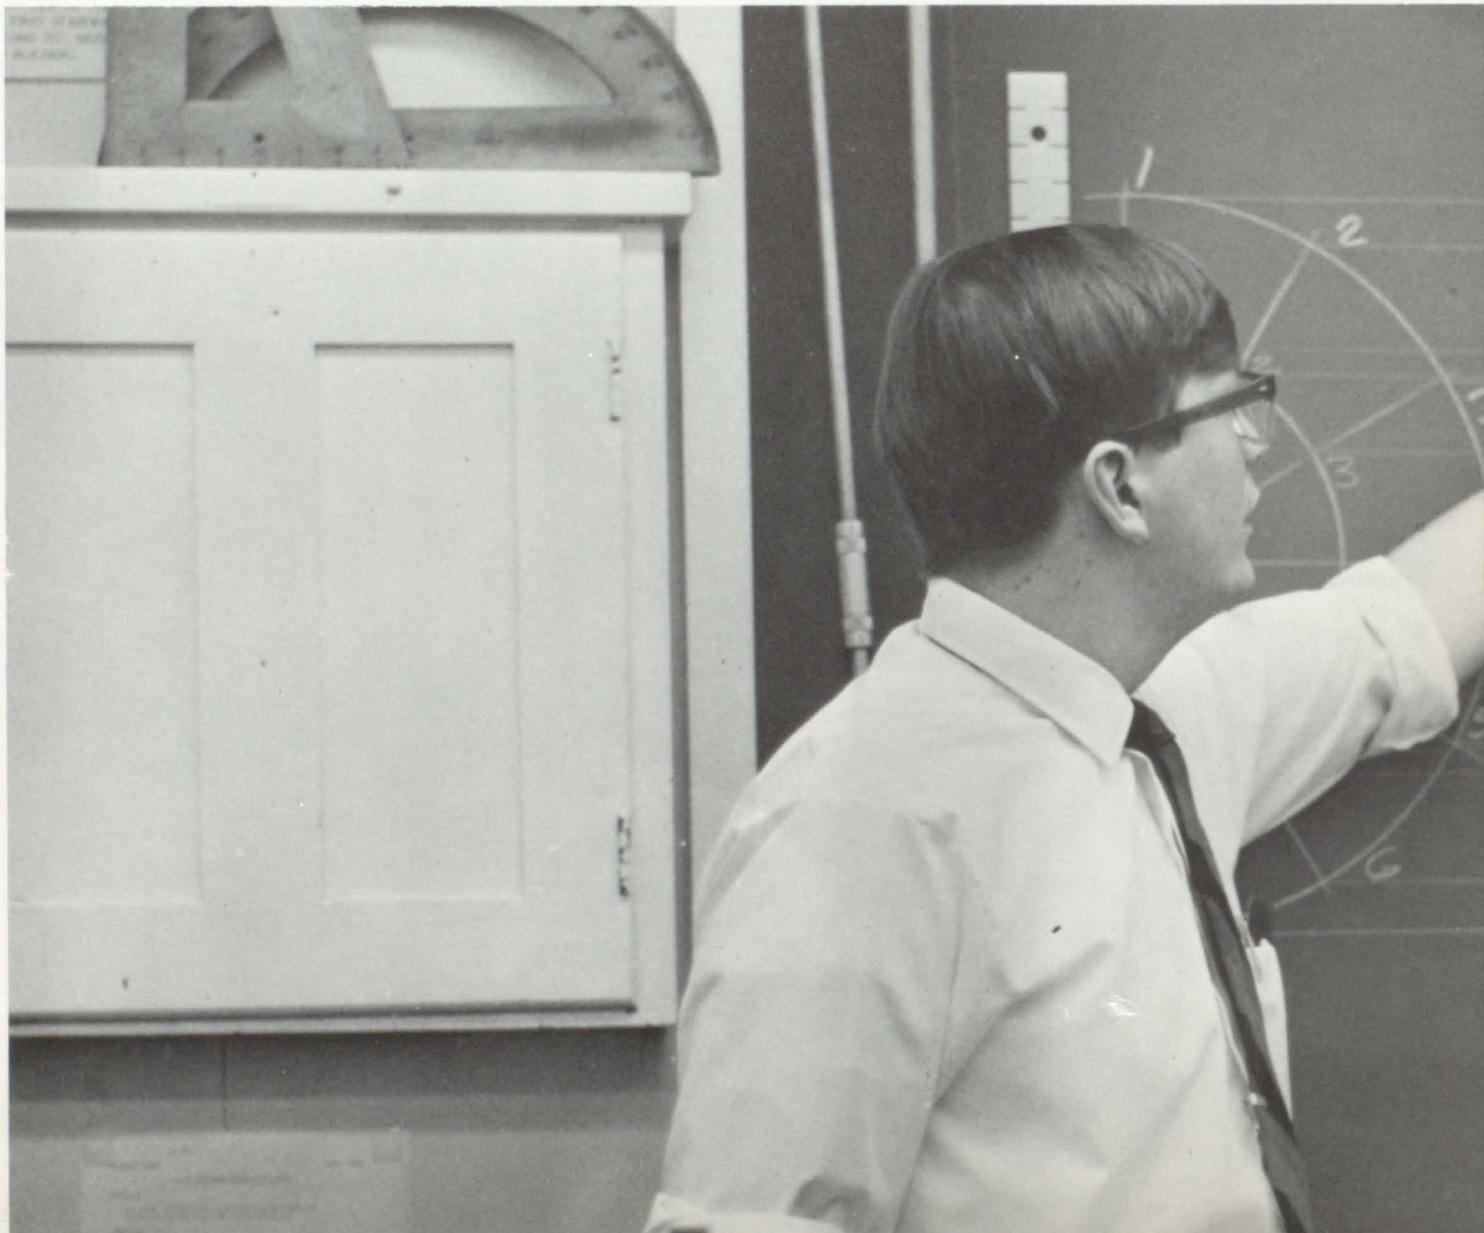

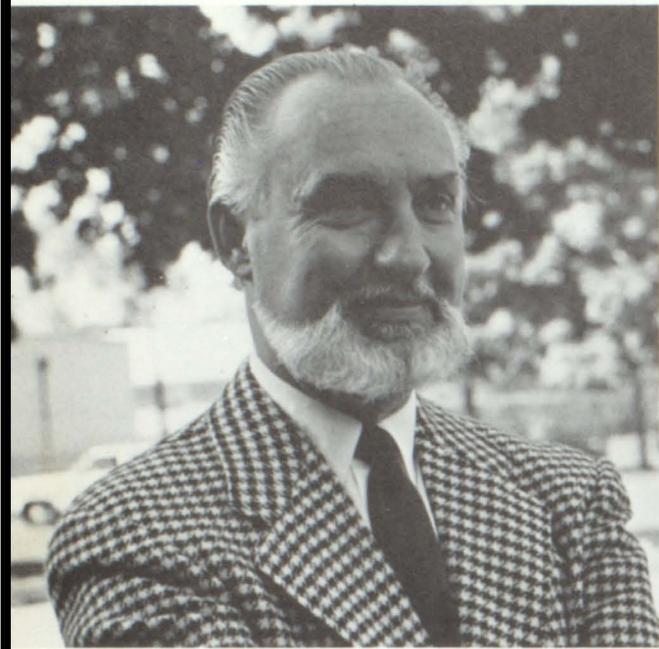

"Blessed are they who have the gift of making friends, for it is one of God's best gifts. It involves many things, but above all, the power of going out of one's self, and appreciating whatever is noble and loving in another."

To the Class of 1970

Your four years in Hempstead High School have been more eventful than those of most graduates in the past. You have come through a period of uncertainty and turmoil all of which has had an effect on your education and it is to your credit that you have been successful in your various endeavors. I hope that your school experiences have provided you with a background that will be of value to you in the further pursuit of your education or vocation.

Please accept my sincere best wishes for the future.

Arthur Flax
Principal

The 1970 Colonial is a tribute to those who are being graduated and who, in the immediate future, will travel rapidly diverging paths of many different natures. As the passage of years dims the recollections of today, it is hoped that these pages will provide testimony of those important events and experiences, the friendships and learning, the amusing incidents and serious decisions, which contributed in no small measure to the weaving of the fabric from which rich and full lives and real happiness have been created.

Ira Pilkington

Assistant Principal

To those whose lives may become shining examples – who still work hard to achieve their goals and ambitions – who will strive for the right at all times – who will go their ways in all different walks of life – who will spend their times of pleasure and those of strife in many ways – whose paths may contain trials and troubles – whose successes or failures will be of concern to all – whose happiness and sadness will be deeply felt – whose fame may spread – whose lives may be simple ones – whose services may bring great reward – whose foundations are being laid here and now – remember, that “Success comes in cans, and failure comes in can’ts.” My fondest congratulations to you.

ACTIVITIES

“Involved! You can get involved with a fat bush just by walking into it. You’re off on a clear-eyed ramble and suddenly, what with twigs in your knees.

thick leaves in your face, pricking thorns jabbed into your soft city hands, buddy you’re involved . . .

Michael Goldman

“... You're off on a clear-eyed
ramble and suddenly, what with
twigs in your knees . . .

... thick leaves in your
face, pricking thorns
jabbed into your soft
city hands, buddy
you're involved ..."

“APATHY”

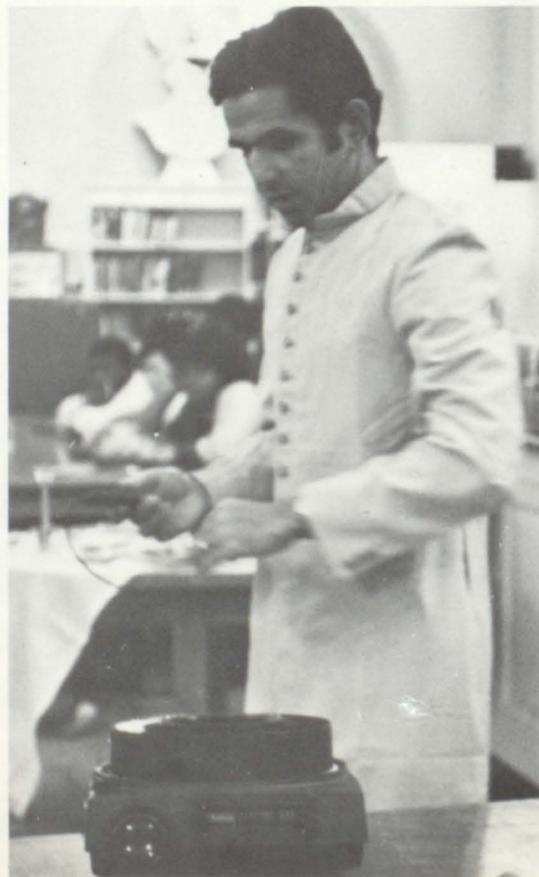

“Certainly these problems warrant concern
and
Certainly I’ve been told about them
and
Certainly I have, inherent in my hugeness,
the strength to fix them
and
Certainly I care about them
but
Not Today.
Too Much bother to do things on my own
because
I’m not caught up in the eminence, in the importance,
in the interest
of doing, of acting, of reacting and accomplishing –
because
It takes a patient while and a sincere think before it
really makes sense to Bother . . .”

SPORTS

“. . . our country calls
not for the life of ease,
but for the life of
strenuous endeavor.”

Theodore Roosevelt

Percy Jackson

1951-1969

“Then Almitra spoke, saying, We would ask
now of Death.

And he said:

You would know the secret of death.

But how shall you find it unless you seek it
in the heart of life?

. . . If you would indeed behold the spirit of
death, open your heart wide unto the body of
life.

For life and death are one, even as the river
and the sea are one . . .”

You give but little when you
give of your possessions . . .

It is when you give of your-
self that you truly give . . .

. . . there are those who have little
and give it all.

These are the believers in life
and the bounty of life, and their
coffer is never empty.

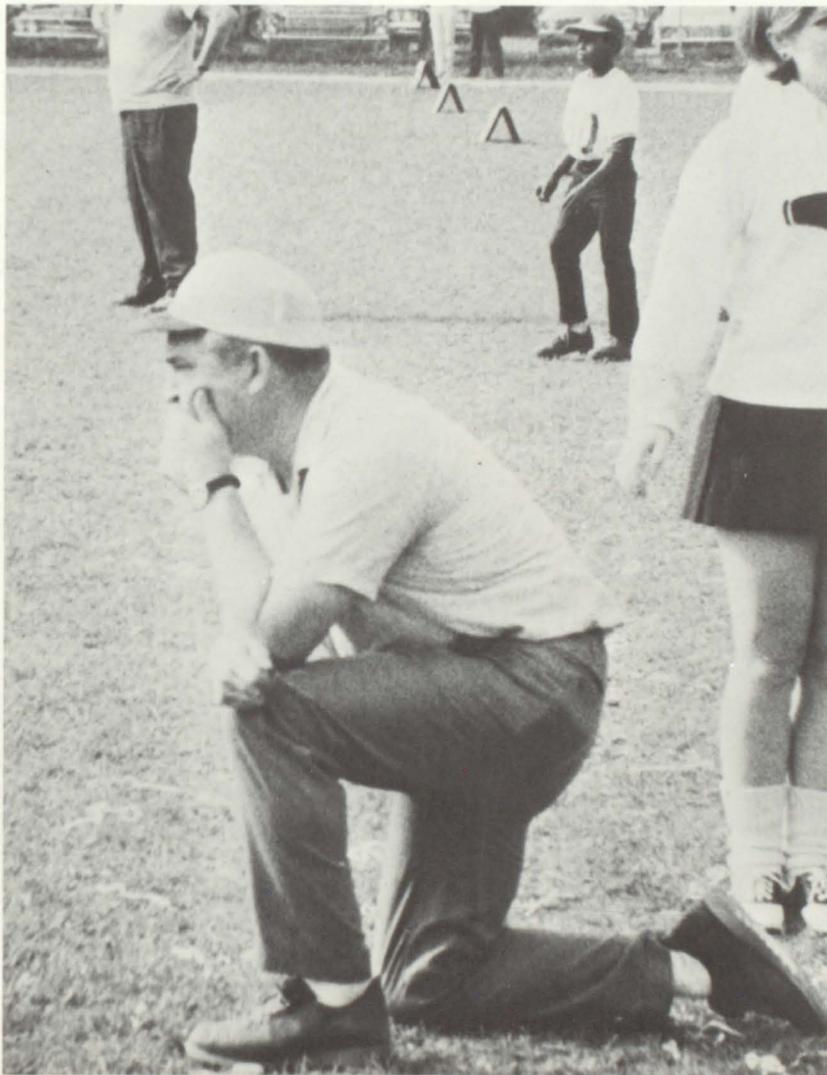

There are those who give with
joy, and that joy is their reward . . .

... and there are those who give with pain, and that pain is their baptism.

And there are those who give and know not pain in giving, nor do they seek joy, nor give with mindfulness of virtue;

... Through the hands of such as these God speaks, and from behind their eyes He smiles upon the earth ...

Kahlil Gibran

Robert R. Schuessler

1923-1970

“Now we don’t want you, my brothers, to be in any doubt about those who “fall asleep” in death, or to grieve over them like men who have no hope. After all, if we believe that Jesus died and rose again from death, then we can believe that God will just as surely bring with Jesus all who are “asleep” in Him. Here we have a definite message from the Lord. It is that those who are still living when He comes will not in any way precede those who have previously fallen asleep. One word of command, one shout from the archangel, one blast from the trumpet of God and the Lord Himself will come down from Heaven! Those who have died in Christ will be the first to rise, and then we who are still living on the earth will be swept up with them into the clouds to meet the Lord in the air. And after that we shall be with Him forever . . .”

I Thessalonica — 4:13-18

“Madly I run, insanely spreading myself —
Happily singing, joyfully crying,
Collapsing in ecstasy over people I meet . . .”

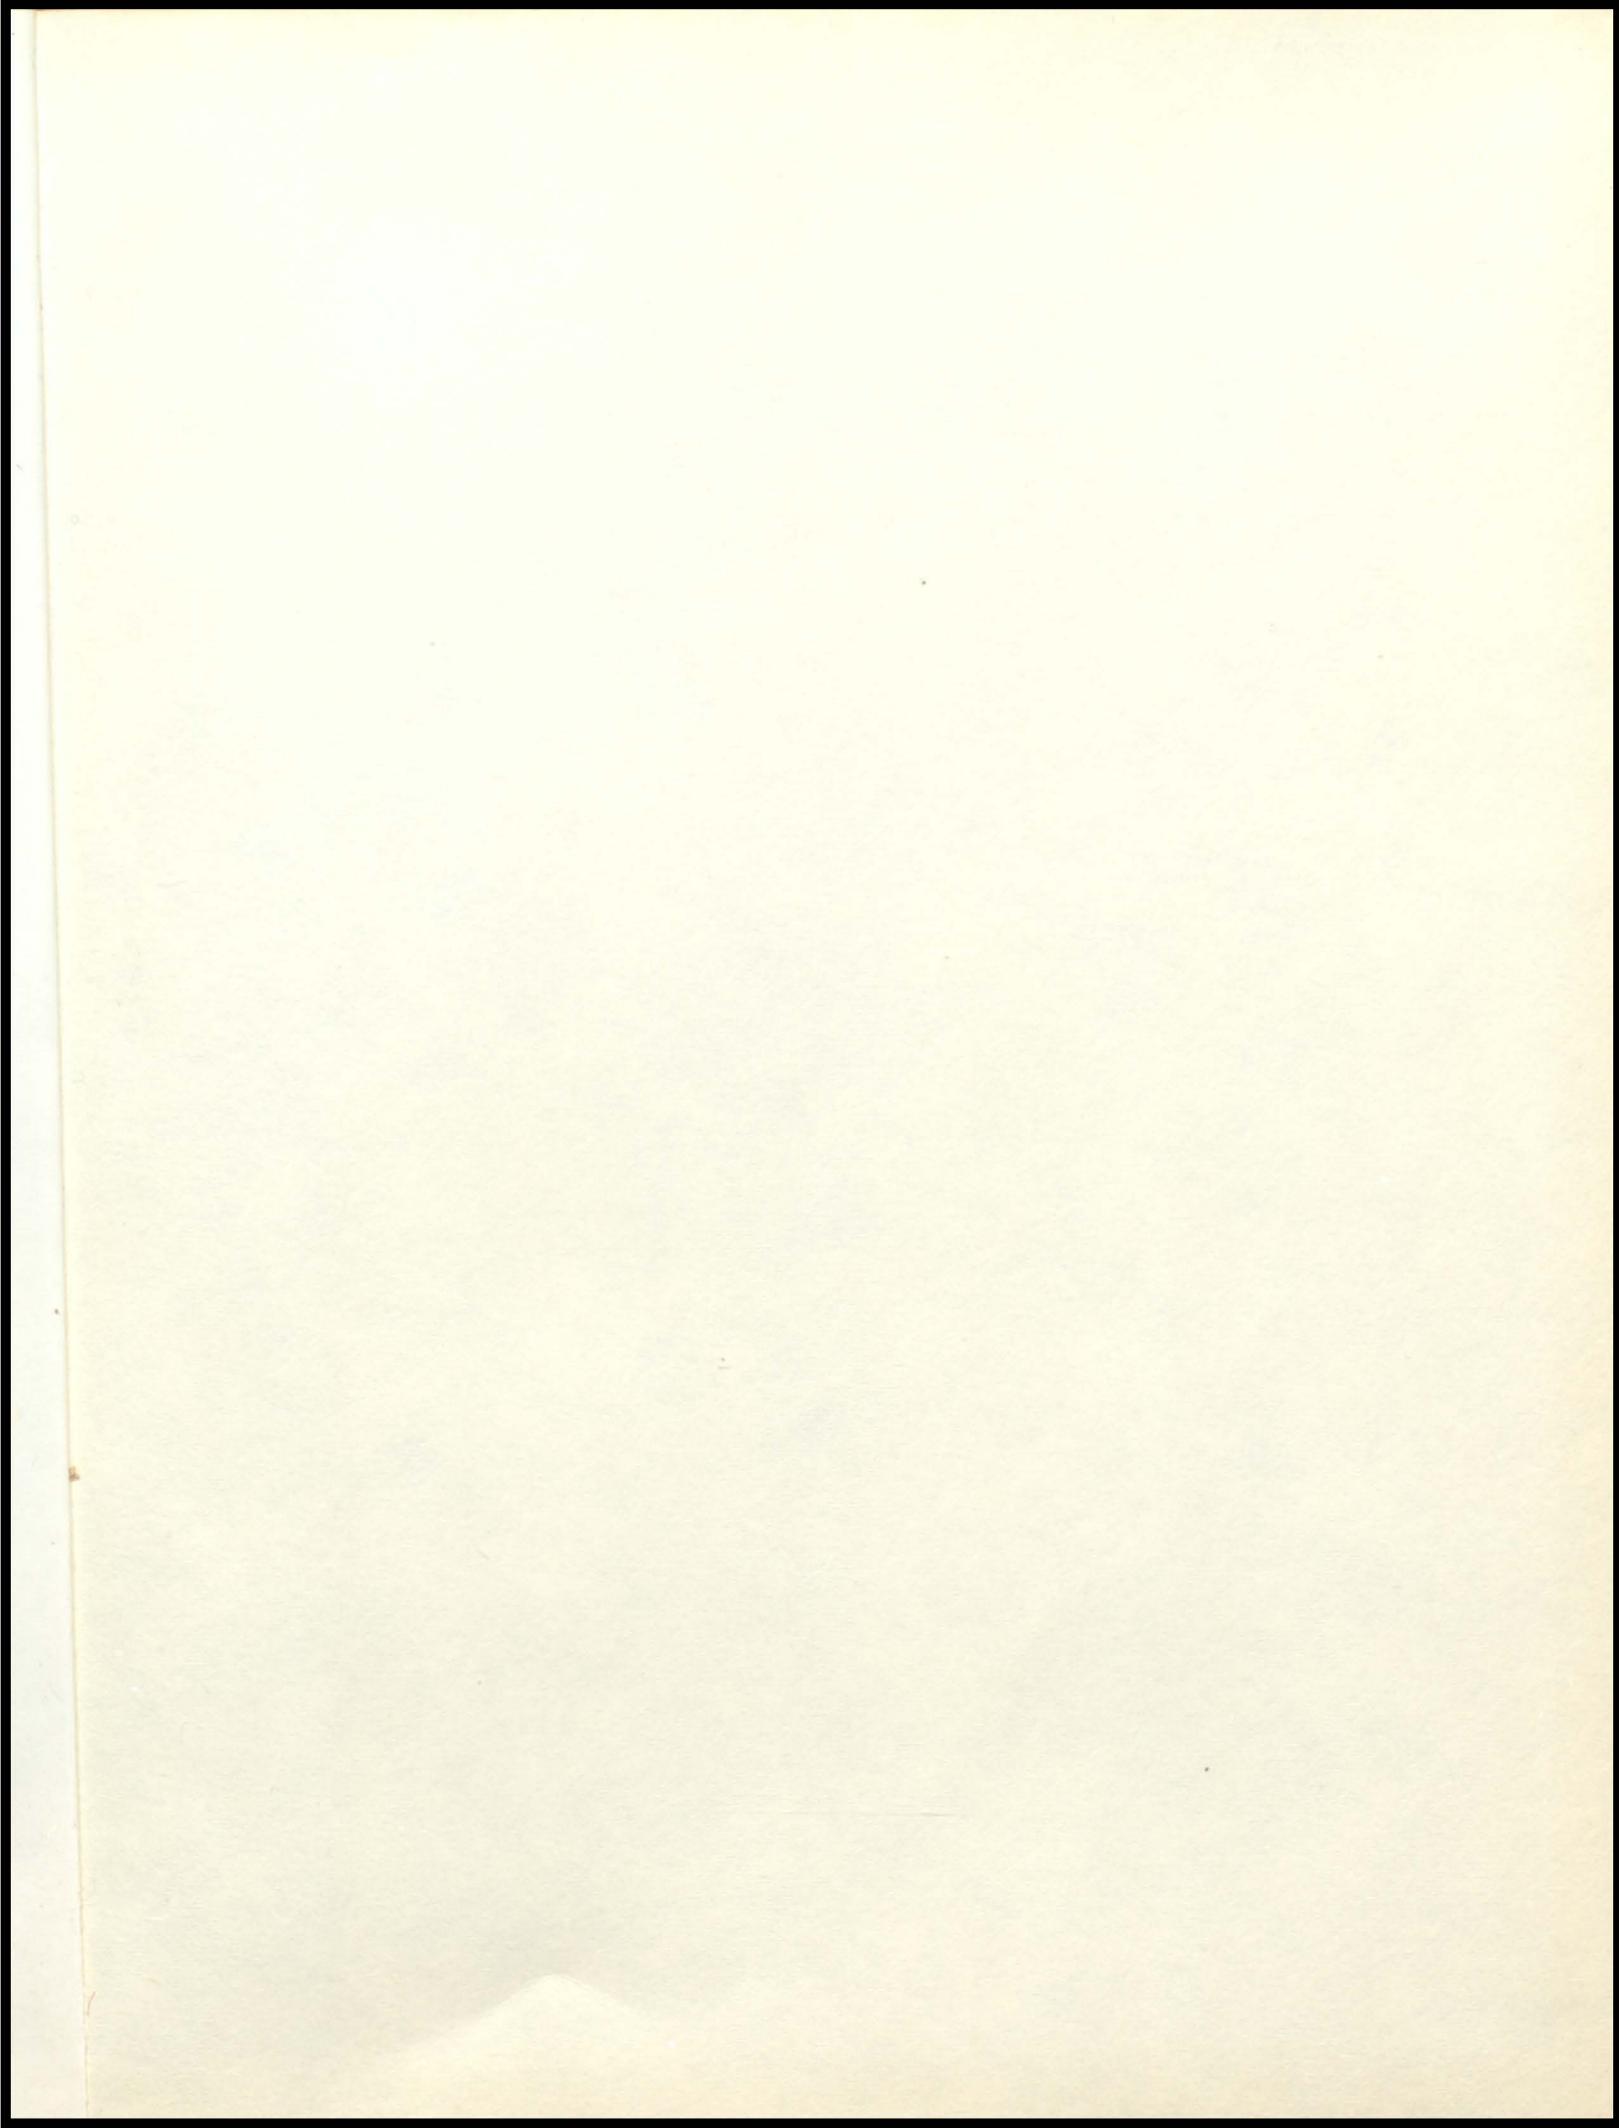

Reaching, touching, finding and holding close -
Dancing to midnight, talking to dawn,
Sleeping to noon, and walking to life!"

“There is only one man in the world
and his name is All Men.
There is only one woman in the world
and her name is All Women.
There is only one child in the world
and the child’s name is All Children.”

Carl Sandburg
