REFLECTIONS
OF THE WAY
LIFE
USED TO BE

Miss Joy Peterson came to Hempstead High School as a string teacher in 1956. She is an excellent violinist and has taught in every school in the district.

Her musicianship is outstanding and is reflected in the excellent results she has achieved since taking over as director of the A Cappella choir. In the last two years, eleven out of sixteen choir members made All County choir, a remarkable record. Most recently, "Amahl and the Night Visitor" and "Purlie", which she directed, made the entire community aware of her high standards of performance.

Her enthusiasm, her genuine interest in all who come in contact with her and her willingness to work with students after school hours have gained the respect and admiration of students and faculty.

We hope that Miss Peterson will continue to bring JOY to our world.

REFLECTIONS

THROUGH THE MIRROR OF MY MIND
TIME AFTER TIME,
I SEE REFLECTIONS OF YOU AND ME

REFLECTIONS OF THE WAY LIFE USED TO BE
REFLECTIONS OF THE LOVE YOU TOOK FROM ME,

OH, I'M ALL ALONE NOW, NO LOVE TO SEND ME
TRYING IN A WORLD OF DISTORTED REALITIES,
HAPPINESS YOU TOOK FROM ME AND
LEFT ME ALONE WITH ONLY MEMORIES:

THROUGH THE MIRROR OF MY MIND
THROUGH THESE TEARS THAT I CRY
REFLECTS THE HURT I CAN'T CONTROL
'CAUSE, ALTHOUGH YOU'RE GONE
I KEEP HOLDING ON TO THE HAPPY TIMES
AS I PEER THROUGH THE WINDOW OF LOST TIMES
LOOKING OVER MY YESTERDAY
AND ALL THE LOVE I GAVE, ALL IN NEED,

ALL THE LOVE, ALL THE LOVE THAT I WASTED
ALL THE YEARS, ALL THE YEARS THAT I TASTED,
OH YEA:

THROUGH THE HOLLOWES OF MY YEARS
I SEE A DREAM THAT'S LOST
FROM THE HURT THAT YOU HAVE CAUSED,
EVERYWHERE I TURN SEEMS LIKE EVERYTHING
I SEE REFLECTS THE LOVE THAT USED TO BE

IN YOU I PUT ALL MY FAITH AND TRUST
RIGHT BEFORE MY EYES MY WORLD HAS TURNED TO DUST.
AFTER ALL THE NIGHTS I SAT ALONE AND WEPT
JUST A HANDFUL OF PROMISES ARE ALL
THAT'S LEFT OF LOVING YOU.

REFLECTIONS OF THE WAY LIFE USED TO BE,
REFLECTIONS OF THE LOVE YOU TOOK FROM ME.

IN YOU I PUT ALL MY FAITH AND TRUST
RIGHT BEFORE MY EYES, MY WORLD HAS TURNED TO DUST.

Dear Student, Faculty and Staff:

We, the Colonial Club, present our yearbook to you as a token and a remembrance of the 1976-77 school year. As you can tell, we really wanted it to be a special yearbook, therefore, we added several ideas and categories this year to make it so.

It was an exciting year for the Colonial staff even though situations sometimes looked hopeless for us. However, our incentive to do a good job for our class made it all worthwhile.

I would like to give my special thanks to Mrs. Sumrell, our advisor, for her willing and constant guidance.

I would also like to extend my greatest appreciation to the staff who worked so hard. They are:

Senior Section Write-up Editor

I would like to give an extra thanks to Albie Douglas who helped design the cover and to Vincent Sumrell for doing the art work. Special thanks to Kim Harrison who helped gather the baby pictures. And, of course, a final thanks to Mrs. Sumrell's typing girls, and Mrs. Watkin's class.

With this note, I would like to wish all of the Seniors the happiest future and to the underclassmen more successful yearbooks.

Cathy Montague
Editor-in-Chief

Being elected president of the Senior class was an honor to me. I thought that it would be a year full of achievement, but in the long run, I found it to be a lot of long hours and hard work. This job proved to be a very rewarding and profitable experience and has taught me the true meaning of responsibility and leadership.

During the year, we ran into many problems. The two most major problems were class participation and fund raising. It was rather hard to stimulate the fellow students of my graduating class to work. Because of this, I was forced to work with very few people. The students that did work were willing to put in as much time and effort needed to get the job done. We ran into various problems halfway through the year, but were soon able to iron them out and continue with the rest of the class business.

I would like to thank the following people for making this a most productive and enjoyable Senior year:

Wendy Covington, Vice-President

Joy Hunt, Recording Sec.

Valerie Robinson, Corre. Sec.

Linda Miles, Treasurer

Mrs. Betty Ford, Senior Advisor

Ms. Sandy Dunn, Ass't Senior Advisor

A special thanks goes out to the Colonial staff for dedicating the book to the student of the class of 76-77.

For students in years to come, I would like to wish you the best of luck during your remaining years at Hempstead High. To my fellow classmates, I hope that you have the greatest success in all of your future endeavors.

IN MEMORIAN

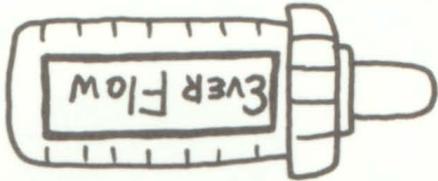

MISS ALBERTA MOSES

This page is dedicated to the Late Miss Alberta Moses who was born December 30, 1958; and departed this life on January 19, 1975. Alberta attended Franklin Elementary School in Hempstead, and at the time of her passing was a sophomore at Hempstead High.

Alberta was an active student in school with many extra curricula activities and a drum majorette in the high school band. She was also a freshmen class officer.

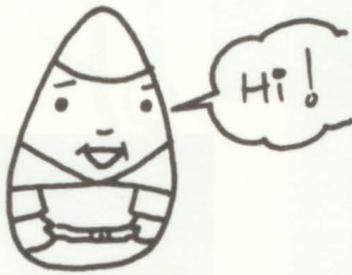

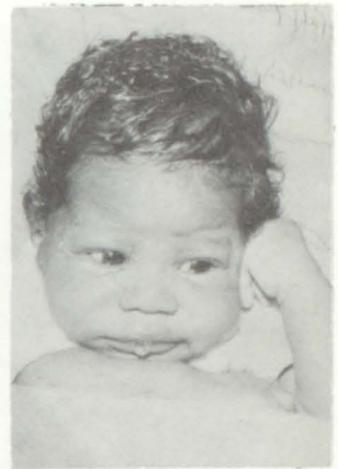

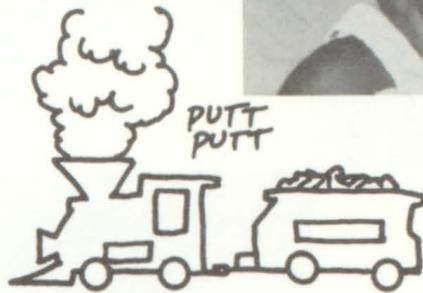

Not only was Alberta loved by her family, but by many others as well. She will be missed by everyone and our memories of her will be cherished ones.

FAREWELL TO THE CLASS OF 1977

Prospective graduates of high school or colleges invariably become the recipients of a great deal of well meant advice concerned with challenge and future achievements. Your class will be no exception, I am sure. However, in all the years I have been associated with the field of education, there has been no year I know of in which the word "challenge" was more pertinent.

1977 presents a world struggling to recover from economic turmoil. Jobs are scarce, solid educational preparation imperative, and survival is only for the fittest.

Yours years at Hempstead High School have provided, I hope much of the necessary preparation for life and future achievement. But it does not end here. Whether you are headed for college, job training, military service, or immediate employment, your education must continue throughout your life. Your horizons must continue to broaden. Your curiosities must continue to multiply. Only then will you be ready and able to meet the challenge of 1977 and beyond. Only then will your future achievements prove satisfactory to you and a credit to us.

My warmest wishes go with you as you meet this challenge.

TO THE STUDENTS

During my stay at Hempstead High School, many of my past experiences have played a meaningful role in my life. Some of my greatest challenges came about while serving as president of the student council. This experience was for me a pleasure as well as an honor. I have always enjoyed serving people.

To help educate and further maintain school spirit, our student council has sponsored many activities. Among the host of activities, the one that has enhanced my education the most was playing an important role in obtaining the Rev. Jessie Jackson to speak at our school in honor of the Late Rev. Dr. Martin L. King's Birthday.

Intellectual interest have also played a part in my life. My college accounting class was a class that any student would like, but I must say it was a very large portion of enjoyment because of what our teacher Mrs. Evelyn Kamen has made it. This class had also put an emphasis on my wanting to further my education in accounting at the University of Pittsburgh.

I've always been a person who enjoys challenges. Between my class work and student council, I had many challenges. The biggest challenge, I think, was trying to keep the students interested in school activities. I must admit that each year, the school spirit became more relax than ever. Our student council has worked very hard fighting for school enthusiasm. I have faith that the school moral will be raised again one day.

In conclusion, I say, to the future presidents of the student council, if it is your will to continue your challenge, "remember those who seek, shall find."

I extend my greatest appreciation to all those who have helped me in conceiving my education and all those who are behind be.

Jennifer Mitchell was a 1972 graduate of Hempstead High School. During that time she was an active member of Leaders Club and Girl's Basketball Team in which she was voted Most Valuable Player for the 1971-1972 season. She was an all round outstanding athlete.

After graduation, Jennifer entered Nassau Community College and then enrolled in Federal City College in Washington, D.C. where she majored in Physical Education. Jennifer will be remembered by us all as a beautiful young lady who had much to contribute.

COMMENCEMENT

Farewell, Old Hempstead High
Though parting brings sorrow
We bid thee fond good-bye
Ere we journey on tomorrow

Though we will soon be gone
Memories will linger on
Memories that cannot die,
Alma Mater!! HEMPSTEAD HIGH.

ALMA MATER HEMPSTEAD HIGH

Jeff Clarkson — 1933

Come! Sing to Hempstead High!
All hail to her Glory
Her praises testify
In the beauty of her story;
Raise high her banner too;
Proudly the white and Blue
Waves to our fervent cry —
Alma Mater! HEMPSTEAD HIGH.

We laud thee Hempstead High;
No one shall assail thee
For thee we'll do or die,
Never, never will we fail thee
In class and on the field,
We'll win! We'll never yield!!!
